DISCUSSION QUESTIONS

1. It would be good as group to reread this chapter as we see the apostle bringing to a close all that he has said to them about their questions and issues of sin. If this was all you had from the letter what would your conclusion be about his letter to the people of Corinth?
2. Let's get personal – What should our attitude be about giving? How is your attitude about giving?
3. Do you think that people that continually serve other people are happier people? Do you find yourself happier after you have served someone? What is an example of that?
4. What intimidates you about the Christian life? What comes to your mind when Paul asked the people to not intimidate Timothy?
5. In your mind, what does it mean to be “on guard?”
6. What can you do to “stand firm in your faith?”
7. “Be strong” is similar to Paul telling Timothy to, “Be strong in the grace that is in Christ Jesus.” (2 Tim. 2:2) What does it look like to live this out?
