DISCUSSION QUESTIONS

1. How would you define grace?
2. Have you ever felt like God only likes you when you are good? Why?
3. What's the most gracious thing anyone else has ever done for you?
4. Grace from God should spur us on to forgive others who have done us wrong, what can you do to take the steps to be gracious to someone who has done this to you? (As a group, let's all help each other out with specific ideas on this one.)
5. How can we accept God's grace during life's storms? How can we show those who are suffering that same grace, without being cliché or simplistic?
