DISCUSSION QUESTIONS

1. If Mark was trying to record a reliable account of the resurrection, do you think he would have included the women as the key witnesses to the resurrection? How does this help prove that the resurrection is real and wasn't a made up story?
2. Have you ever thought about how no one expected the resurrection to happen? Even after Jesus had told his disciples 3 times exactly what would happen?
3. How can we live in a way that trusts in God even when faced with the defeat of Friday and Saturday?
4. What is a book or movie that you did not like the ending? And why?
5. In what way do you think Mark wants us to respond to the abrupt ending he gives to his gospel?
6. How encouraging are the two words, "...and Peter..."?
7. How is your life going to rewrite the ending of Mark's gospel?
