## DISCUSSION QUESTIONS

1. Austin mentioned the From Sunday Resource page. Make sure you check out the media and books available in addition to the sermon notes.
2. Why does it seem like Romans 9-11 doesn't fit at first glance? Read the end of Romans 8 and the beginning of Romans 12 and see if you think they flow together.
3. In what ways have you been sent out?
4. We are often paralyzed by the thought of sharing the gospel because we don't know what to say. So what is something you should say when sharing the gospel with someone?
5. Austin said we can become so preoccupied with loving people that we never get around to sharing the gospel with them. What did he mean by this? Do you think this is something you do?
6. PLACES: Where do you go often? What opportunities do you have to share the good news of Jesus in these places?
7. FACES: Who do you interact with often? Who needs to hear the good news of Jesus and how can you share it with them?
8. Don't forget the memorization challenge for our Romans series. Take some time to memorize Romans 10:14-15 and think about who you need to share the gospel with this week.
