DISCUSSION QUESTIONS

1. Have you ever tried driving while only looking in your rearview mirror? Talk about what would happen if you did.
2. How does your life line up with the phrase, "It's not about me, it's about Him."? Does this challenge anything specific in your life? What would be different about your life if this was true in every part?
3. How is the way that we relate to one another changed because it is all about him? (If it is all about God, then it's about you. Philipians 2.)
4. Austin said it is also about Us as a Body working together. How has God gifted you to serve his kingdom and the common good of the body?
5. In what ways are you currently living on mission as a witness or ambassador for Jesus?
6. Ultimately, it is all about God and His Glory. Are you living your life in line with this truth? Start with today. How can you make today all about Him?
