DISCUSSION QUESTIONS

1. Robin used the Harley Davison and the Scooter to describe living for Jesus. What two opposite things would you use to describe that Christian and life and which one are you living today?
2. In Acts 4, the disciples prayed for boldness in preaching the word. What areas of your life do you need boldness?
3. Before today's sermon, how would you have described someone "full of the Spirit"? How would you describe them now?
4. How is your belief system? What do you believe about Jesus? Creation? God? Salvation? Living for Jesus?
5. How do we become men and women full of the Holy Spirit, wisdom, faith, grace and power?
6. Who are you praying for to be able to reach with the gospel? Who are you having gospel conversations with?
