**MESSAGE NOTES**

Worship:

What is the Worship you were created for?

1. Worship is an All-together thing.
2. Worship is an All-in thing.
3. Worship is an All-Him thing.

Is Worship your thing?

Worship is a simple choice in light of supreme truth.

## **DISCUSSION QUESTIONS**

1. What is something that you would say is just, “Not my thing”?
2. Austin said that Worship at its simplest means to give worth. Maybe start with evaluating yourself and making a list to this end. What do you think you value the most? What do you give worth to? Maybe this is a chance to realize and identify idols in your life.
3. Worship is an all-together thing. Have you ever thought about the importance of corporate worship? Or have you thought about how you need the church and the church needs you?
4. Worship is an all-in thing. What parts of your life do you need to completely submit to the Lord?
5. Worship is an all-Him thing. Our worship isn't based on our circumstances but on God's character. How does this change the way you approach worship in your life?
6. Worship is a simple choice in light of supreme truth. How does the truth of the death and resurrection of Jesus change our attitude towards worship?
